

The Healing Service being facilitated by Mary Parkins and Steve Vogel commenced promptly at 2-30pm. Mary Parkins who is also the ISF Healing Leader, gave attendees warm welcome to the Healing Service, plus a brief explanation of how the Healing Service would be conducted.

Mary Parkins Facilitating Healing Service

ISF President Ann Luck gave a prayer to open the Healing Service.

Which was followed by, The Absent Healing Minutes Silence

Readings were given; also the names of those entered on the absent healing lists were read out. The readers were; Mary Parkins, Robin Hodson, Fritz Gerny, Gerdie Ros, and Ella Cedarblad. The readings and lists were interspaced with the singing of Hymns.

Graham Twyman gave the closing Prayer on behalf of the Healing Team; Mary Parkins followed this, with the closing prayer for the Healing service. Then with singing of the final Hymn "**Let There is Peace on Earth**", all the attendee's stood and linked hands, which for some of the attendees proved to be an emotional experience.

After Coffee Break it was time to attend the Pow-Wow.

During the Pow-Wow ideas and points were brought forward for the ISF Committee to consider. Ulla Alvarsdotter and Jan Danielsson were asked to come forward, on arriving at the table they were both presented tokens of appreciation for their hard work prior to and during the Fraternal Week in Sweden. Jan Danielsson was offered the role of an ISF Ambassador which he accepted. , following this Pow-Wow was drawn to a close, as there were not further items to discuss.

Friday Night as always is the time to let your hair down, the ISF Concert is one way of releasing the pressure. Not only for those who take part, but also for those who might not be quiet so brave. Each Year the statement has been made” The Concert Can't Get Better “, yet again, this statement proved to be untrue.

The scope of the acts, plus the vitality which the performers injected into their acts, together with the acts wide area of subjects, had the Attendees at times rolling in their seats with laughter, so much so that at times there were tears streaming down their faces. The concert yet again proved to be an overwhelming success, those who set out to entertain, had certainly proved they have the ability to bring laughter and humour into the lives of others.

The night was brought to an end with a Disco and Bar which gave all the attendees the chance to mingle, talk and dance the night away.

It is only fitting to mention some of those who without their efforts on our behalf things might be a lot different. The ISF Committee, Programme Planners, Tutors, Raffle Ticket Sellers, and Stewards, to name but a few who work long hours on our behalf, to make sure events such as this are success.

The Raffle tickets sellers did a good job assisting attendees, in helping with the lightening their purses and wallets. Amounts raised were over £300 for both the Mediums Raffle and the Friday night Raffle.

The Church service resulted in £400 being raised.

The Healing team under the Leadership of Mary Parkins being been kept busy; during the Fraternal Week the team completed 115 separate healings. This resulted in over £120 being given in the form of donations for the healing.

I would like to thank all ISF attendees for giving so generously, during the Fraternal Week.

Many thanks to all who attended The Fraternal Week in Sweden, your being there, helped to make the Fraternal Week the success it was.

Please remember although you may be far away at the moment, the joys and love of the things we have shared together, will never be able to be taken away.

There might be those amongst the ISF, who think the ISF is unable to make a difference.

The following is a quote from a member of Staff at Satra Brunn "You are such nice people, it's been wonderful to have you here, will you be coming back?"

I will leave you with those words

Looking forward to seeing you in Eastbourne, for those unable to make it to Eastbourne, see you in Scotland 2010.

Love & Light
