Anita Garrod (UK)

Anita has been steeped in Spiritualism throughout her lifetime and had the privilege from a very young age to witness some of the finest mediums demonstrating all forms of mediumship at the height of their powers. Her own journey has focused on assisting others to develop their own gifts of the Spirit; whilst doing so, her own mediumship developed, largely unnoticed and unpracticed, and demonstrated only when called upon to do so by Spirit. Her personal experiences have provided a wealth of knowledge on mediumship which she is delighted to share. It is, however, the philosophy which underpins mediumship which is the cornerstone of her life. Anita currently serves as the ISF Treasurer.
